Availability: Summer 2027

Education

ESADE Business School & Copenhagen Business School (CBS) — Barcelona, Spain / Copenhagen, Denmark
CEMS Master's in International Management (MIM) — Sep 2026 – Jul 2027

- Core modules: Negotiations in a Global Context, Financial Analysis, Artificial Intelligence & Machine Learning, Data Analytics; at CBS: Building AI Business Ventures in Digital Ecosystems, Entrepreneurship: Theory and Evidence.

ESADE Business & Law School, Ramon Llull University — Barcelona, Spain
MSc in Finance, Banking & Asset Management Track (8.5/10) — Aug 2025 – Jun 2026

- Coursework: Corporate Valuation (DCF, trading/transaction comps, M&A accretion/dilution); Advanced Financial Modelling (three-statement, LBO, IRR/MOIC, value creation); Venture Capital (deal sourcing, due diligence, market mapping, unit economics, cap tables, investment memos); Asset Management (asset allocation, portfolio construction, performance attribution, ESG integration); Asset Pricing; Derivatives; Fixed Income; Hedge Funds; Fintech. Also: University of St. Gallen, Investing in Capital Markets (Jan 2026).
- In-Company Thesis (with ANDBank): AI Implementation & Adoption in Private Banking (Jun 2026 – Aug 2026).

University of Bristol — Bristol, United Kingdom
BEng in Mechanical Engineering — Sep 2021 – Jul 2024

- Key modules: Python, Thermofluids, Materials, Dynamics, Project Management, Design.
- Inspiring Engineering Student Award: recognised for initiative, innovation and impact beyond technical excellence.
- Led a 4-person team to build a go-to-market strategy and business case for a smart gum shield, focused on market analysis and stakeholder alignment. Individual thesis: designed and prototyped an Arduino-based system to measure mastication performance; results were used in my tutor's PhD research.

International School of Nice — Nice, France
International Baccalaureate Diploma (2021) — Sep 2013 – Jul 2021

- Higher Level: Physics (7/7), Mathematics (6/7), Geography (7/7).

Professional Experience

ANDBank Monaco — Monaco
Investment & Portfolio Risk Management Intern — Jun 2026 – Aug 2026
Private Banking & Wealth Management

- Built a TWR-based risk workbook measuring risk-adjusted performance (Sharpe, Sortino, VaR/CVaR, beta, tracking error, information ratio, max drawdown) across 30 client portfolios; corrected a benchmark mismatch (S&P 500 vs. HICP+3% mandate), aligned VaR/CVaR confidence levels and wrote the methodology document.
- Built an automated portfolio dashboard (multi-period performance, top/worst holdings) for client reporting; scaled from one portfolio manager to four, with potential for bank-wide rollout.
- Analysed concentration risk and exposure gaps across portfolio managers' books using correlation matrices and asset-class/geography breakdowns, supporting 10 client portfolio reviews.
- Built an equity screening tool scoring 50+ securities on momentum, value and growth factors to support buy/sell recommendations; benchmarked alternative investments (HFR indices) and decomposed structured products.
- Automated manual Excel reporting with AI-assisted workflows, cutting preparation time by ~95% and speeding up model updates.

Skills & Certifications

Languages: English (Native), French (Fluent), German (Intermediate), Spanish (Beginner).
Technical: Excel (financial modelling, INDEX/MATCH, PivotTables, Power Query, VBA), Python, SQL, MATLAB, STATA, Bloomberg Terminal (incl. BQL), FactSet.
AI & Automation: At ANDBank, used Claude (incl. Cowork Excel connector) to automate Bloomberg/Excel workflows: built "Hermes", a morning market-update system, Power Query data-import pipelines, a term-sheet automation tool and AI-built factor screens. Built a 16-skill custom AI library for analysis review.
Certifications: Bloomberg Market Concepts (BMC), Bloomberg Financial Fundamentals, Bloomberg BQL; AmplifyMe Asset Management Academy.

Leadership & Activities

- Head of Finance, Women in Finance, CBS (Sep 2026 – present): manage the budget and sponsorships; help run industry events.
- CEMS Corporate & Alumni Team (2026): launched and led a mentorship programme pairing up to 20 students with alumni across industries; owned the matching survey, alumni outreach and CEMS alumni office coordination.
- Member, CBS Venture Capital Club & Private Equity Club (Sep 2026 – present): attend investor talks and workshops.
- Volunteer, Wild Goose Shelter, Bristol (2023–24): served 200+ meals daily; taught English in Nepal (2017).
